What the THE POCKET GUIDE TO GOLF COURSES says

Restored by its original designer with some minor alterations, a course whose principal attraction is the maturity of its setting (remarkably rustic for a Costa del Sol housing estate course), ocean views and wonderful putting surfaces. Gancedo is one of Spain's most adventurous designers, but here some of the valleys are rather narrow. Generally excellent greensites and 4 creditable par 3s, especially the 2nd (gold, but for the cable).
