Doña Julia

What the Top 1000 Golf Courses in Spain says

A resort layout with some sweeping Mediterranean views. The course ascends a valley overlooked, grandstand style, by housing developments as dense as the fairways are spacious - with large, occasionally sloping greens, in their midst. Recreational players and beginners will enjoy the reduced risk of losing balls (but water occasionally awaits). Long p:3 18 over water to a tiered green is easily the best hole.
