## What the The Pocket Guide to GOLF COURSES says ↗

Set in, across and through two valleys (the first compactly housing the excellent 1st six holes), a very long and often demanding modern design with generally good bunkering and testing greensites (many raised) requiring a good variety of shots. The best back 9 run is from long downhill p:3 10 thru enticing p:4 13, to shortish par 4 14 – ravines and water. Mountain and sea views. Some houses near the end. Lavish 19th. Winner of environmental awards. World Matchplay venue.
